# Junkyard Jack

## and the Horse That Talked

illustrated by Danny Noble

Out  
June 28th

'Can all animals talk?' Jack asked.

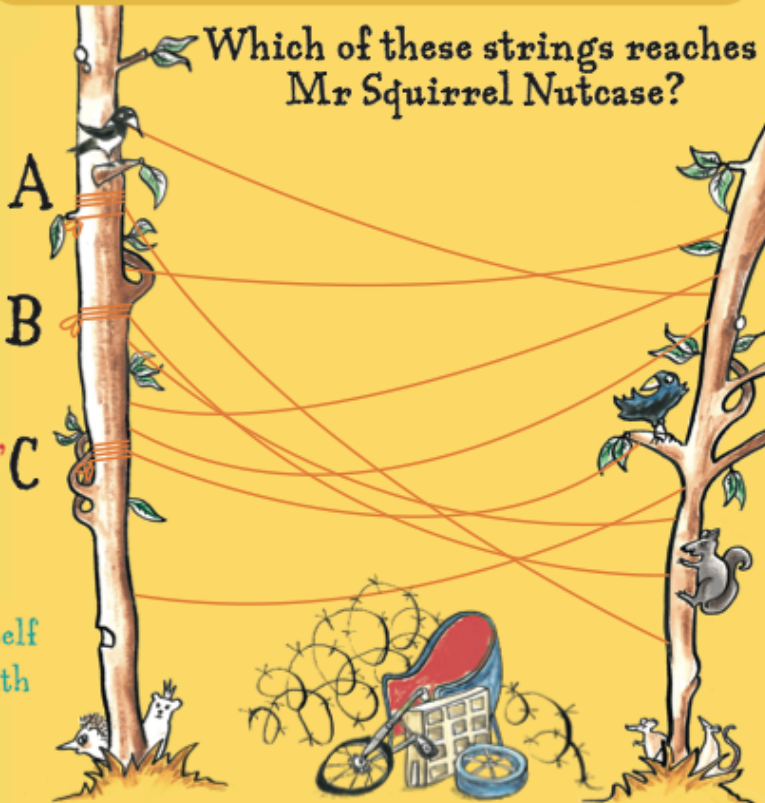

'Well, of course they can,' said Boadicea the Shetland pony. 'We're not idiots, you know.'

Jack hates living with his drippy aunt Violet, his smelly uncle Ted and his evil cousin Kelly. But when he accidentally runs away he finds himself on an adventure to free his mum from prison - with help from rather a lot of talking animals!
